- Pharmacology and Toxicology
- Drug Discovery & Development
- Preclinical and In-vitro Studies

KEY SKILLS

- Proficient in MS Excel
- MS Office (Excel, Word, PowerPoint) with strong skills in data analysis, reporting, and documentation.

Education

Bachelor of Pharmacy (B.Pharm)

Department of Pharmaceutical sciences, Bhimtal, Kumaun University, Nainital, Uttarakhand]

2021

- **CGPA/Percentage:** 7.4 CGPA
- Relevant Coursework: Pharmacology, Pharmaceutical Analysis, Clinical Research, etc.

Master of Pharmacy (M.Pharm)

Department of Pharmaceutical sciences, Bhimtal, Kumaun University, Nainital, Uttarakhand]

2023

- **CGPA/Percentage:** 8.4 CGPA
- **Relevant Coursework:** Pharmacology

Professional Experience

Assistant Professor

Faculty of Pharmaceutical Sciences, Motherhood University, Haridwar

2023 – Present

- Teaching undergraduate and postgraduate students in Pharmacology.
- Guiding academic projects and research work.
- Active involvement in curriculum development and research activities.

Patent

- **Phytochemistry analysis and in-vitro anti-inflammatory assessment of methanolic extract from *Ficus virens* bank**
 - Inventor(s): Alle Swathi
 - Assignee: *Kanika Negi*
 - Published: **13 September 2024**
- **GLOW-IN-THE-DARK APPARATUS TO ENHANCE VISIBILITY IN LOW-LIGHT CONDITIONS AND A METHOD THEREOF**
 - Inventor(s): Mrinmoy Chakraborty
 - Assignee: *Kanika Negi*
 - Published: **03 May 2025**

Publications

1. **Clinical Trials Process of COVID-19 Vaccines: A Comprehensive Overview**
World Journal of Pharmaceutical Research, 2024.
2. **Novel Drug Delivery System**
Dr. Sriram Publications, 2024.

Professional Strengths

- Strong academic and research orientation
- Effective teaching and mentoring skills
- Scientific writing and publication record
- Ability to collaborate in interdisciplinary research
